2012	One Finalist; one Commended student
2011	Three Semi-finalists; two Commended students
2010	One Finalist; five Semi-finalists

During the Spring 2020 term that coincided with the COVID-19 school closures, MHS switched to Pass/No Pass grading only. The switch was made in compliance with the [Oregon Department of Education's guidance](#), which required all districts to use Pass/No Pass marks for courses evaluated during this time. The marks issued for the Spring 2020 term 2 and 3 enabled students to earn credit towards the curriculum and graduation requirements and do not factor into their Grade Point Average.
