EASA APPLICATION PROCESS for 2020-2021

1. Student must have successfully completed a full-year Algebra 1 course.
In addition:
 - Students not currently enrolled in the McMinnville District AND to-be-9th graders in the McMinnville District must pass the McMinnville High School Algebra Exit Exam, and have a grade of no less than a B in Algebra 1 for both semesters.
 - In-district high school students must have received a minimum grade of B in Algebra 1 (both semesters) and MAY be required to pass the Algebra Exit Exam as well

2. Student completes an EASA Application form and provides transcripts and teacher recommendations. **Application documents are due by April 24, 2020. No late or incomplete applications will be accepted.**

3. Interview with student after reviewing their application, recommendations, and transcript.
 - McMinnville Middle School students (and McMinnville High School students) will be interviewed Apr 29 - May 1, 2020 at Patton and Duniway (and at the High School).
 - Out-of-district students will be interviewed the day of the Algebra Exit Exam.

4. Out-of-district students:
 - Please contact Cindy Robertson at crobertson@msd.k12.or.us or 503-565-4358 to sign up to take the Algebra Exit Exam. The Algebra Exit Exam will be given on **Wednesday, May 13, 2020 4:00 pm at McMinnville High School, Room B204.**
 - Out-of-District students must also transfer to the McMinnville School District. This process begins with your home school district. The request will then be sent to McMinnville School District for consideration of approval.

5. Notification letters will be mailed by or before May 15, 2019.

Please contact Cindy Robertson if you have any questions or need assistance.
