

Advanced Placement (AP)/Honors Courses

Advanced Placement (AP), Honors and advanced-level courses provide rigorous and challenging studies for students who are capable or motivated to pursue rigorous and challenging instruction.

Honors Courses

The curriculum in each Honors course includes appropriate adaptations for accelerated and enriched learning for pursuing in-depth studies that require abstract and higher-order thinking skills. Honors courses provide expectations and opportunities for students to work independently at an accelerated pace, to engage in more rigorous and complex content and processes and to develop authentic products that reflect students' understanding of key concepts. Honor courses are available in the following areas:
